

Enrollment for spring semester is now open

BBTC

Continued from page 3

installer and mechanic), Practical Care Technician, Practical Nursing, Welding Technology and Advanced Welding Technology.

Tillman stated that new program possibilities at BBTC include: Electronic Technology 2, HVAC Technician and/or Paramedic.

Tillman presented a slide showing BBTC's enrollment numbers from 2012-13 through the current school year (2019-20), showing the technical college has recorded its highest enrollment numbers in each of the two most recent years, including 355 last year (2018-19) and 360 two years ago (2017-18).

BBTC enrollment has averaged 270 students

over the past eight years, and the school already has 251 students enrolled in the current year — which includes only fall classes.

"Once, spring enrollment is added in, we project to be at or slightly above last year's total enrollment numbers," Tillman said this week.

In addition to offering CTE industry certifications, BBTC also provides a GED Preparation Program, ABE (Adult Basic Education) classes and Applied Academics for Adult Education (AAAE).

BBTC had 31 GED diplomas reported in 2018-

19, and the Perry Elks Lodge donated \$1,000 in adult education scholarships.

Tillman presented school board members with a graph highlighting BBTC's the overall graduation rate (88%), completion rate (90%) and placement rate (96%) for all programs.

According to the data presented by Tillman, BBTC's Patient Care Technician (100%) and Practical Nursing students (85%) have a combined 92.5% licensure rate.

BBTC students earned a total of 124 industry certifications during the 2018-19 school year

including:

- Diesel Engines (1),
 - Diesel Brakes (2),
 - National Licensed Practical Nurse (NCLEX-PN) (13),
 - American Welding Society (40),
 - Massage Therapy (4),
 - Certified Nursing Assistant (29),
 - Certified EKG Technician (9),
 - Certified Phlebotomy Technician (9),
 - Patient Care Technician (29),
 - Medical Coder/Biller (4)
- Tillman also highlighted BBTC's SkillsUSA Chapter, which features 55 members

and is advised by Electronic Technology 1 instructor Sam Smigiel and Medical Coder/Biller instructor Heath Pridgeon.

SkillsUSA members are preparing for several upcoming fundraiser activities to earn funds for their upcoming regional and state competitions in February and April.

Enrollment for the spring is now open. Interested students should come to BBTC's Student Services office to get enrollment information.

Scholarships and financial aid is available to those that qualify.

War Eagles will head to Leesburg Saturday

WAR EAGLES

Continued from page 6

Kais-Michael Jackson recorded a sack at the end of the game to secure the victory for the 8U War Eagles.

The 10U squad extinguished the Georgia Flame by a score of 38-6 to advance to the second round of the playoffs as well.

Jabez Glanton had two rushing touchdowns for 40 and 65 yards, while Jayce Johnson had two rushing touchdowns himself from 30 and 50 yards out. Taylor's fifth touchdown was scored by Khalil Johnson on a 30-yard run, putting Taylor County on top at the end of the fourth quarter, 38-6.

Taylor County will head up to Leesburg again this

Saturday, as all four squads will be playing for a chance to advance to the State Championship.

The 6U War Eagles will play first at 9 a.m. against the Thomasville Rose City Legends, who they defeated in the regular season by a score of 25-0.

The 12U War Eagles will play at 10:30 a.m., as they will be looking to defeat

the Southwest Georgia Wolfpack, who Taylor County defeated in the regular season 35-6.

The next game for Taylor County will be their 10U squad playing at noon, as they will face off against Gadsden County.

Taylor's final game will be the 8U War Eagles taking on the Valdosta War Cats beginning at 1:30 p.m.

Expect trout to begin moving into the shallows

FISHING REPORT

Continued from page 6

Saturday to 68. Then, they dropped some more to 65 on Sunday morning.

We got a pretty strong bite on Saturday morning on the falling tide and the same

again on Sunday despite the lower temperatures. We had to sort through more shorts than usual throughout the entire trip. The majority of our SST were caught in 4-5.5 feet while the reds were scattered in 2-3 feet.

We also picked up a few bonus Spanish, flounder, sea bass and a lone blue. One of the flounder went 20 inches — the largest we've picked up in that area. Our largest SST went 24 inches, while our largest red was 28 inches (released) and

picked up on a red/white Catch 2000.

I did fairly well once again on the (Fish Bites) "Fight Club" scented plastics, including one 23-inch SST. Thanks again for introducing me to those.

Skipper Zimmerman and

Ruskin Shipp of Macon, Ga. fished 3-4 feet of water with pinfish under Cajun Thunders Monday to land 8 trout measuring up to 23 inches, one redfish and two black sea bass.

Who can guess what the trout will do after they

recover from this cold snap?

But, I would expect they will start moving toward the shallows as the sun warms the Gulf back up to around 72-75 degrees. Better tides this weekend should help improve the bite.

Court Docket

Editor's Note: Recognizing the First Amendment guarantees the public a strong constitutional right to attend and be aware of criminal proceedings, it is the policy of Perry Newspapers to keep the public informed as to circuit court proceedings.
