

Steinhatchee's superb students

Steinhatchee School recently recognized six of its super students for the month of October.

Ella Davis of the kindergarten grade level was described by her teacher Ms. Carmichael as, "always having a good attitude and a smile on her face."

"She comes in every day ready to learn, follows class routines and helps her teacher by encouraging others to follow the rules," Carmichael said of Davis.

In first grade, Mrs. Lilliott said Karly Davis "has shown a caring heart

and actions, improved in her learning, puts forth effort and is always willing to help."

Abdiel Rodriguez Suazo represents the second grade.

His teacher Ms. Steffanelli stated, "Abdiel has excellent attendance. He is very responsible and keeps up with his classroom assignments. When Abdiel is faced with a challenging reading passage, he never complains and always tries his best. He is respectful towards his peers and teachers. It's a pleasure to have him in our class."

In third grade, Ms. Harden shared that Eli Brigalia "works hard and puts forth effort even if the task is difficult. Eli reminds others to keep trying."

Mrs. Corbin selected Lester Hines as the representative for fourth grade.

She said, "Lester is a model student. He has good grades because he puts a lot of thought into answers. He has a great attitude."

Mrs. Blackshear said the following of the fifth-grade designee, "Brooklyn Folberth is a consistent force for good in our class. She's kind, patient, friendly and a world-class student."

"Keep up the great work Stingrays!" Steinhatchee School staff said.

Ella Davis, Karly Davis, Abdiel Rodriguez Suazo, Eli Brigalia, Lester Hines and Brooklyn Folberth were recently recognized as Steinhatchee School's October "Students of the Month" for grades kindergarten through fifth. Steinhatchee School recognizes its shining Stingrays once a month.
