CIVIL AND STRUCTURAL ENGINEER-IN-TRAINING

We are looking for a Civil/Structural Engineer-in-Training to join the Big Top Team. The ideal candidate for this position should possess a strong structural design and architecture background. Solid knowledge in steel, concrete, and masonry are essential skills. Responsibilities include assessment, planning, and execution of structural designs on a wide range of projects. Majority of work will be designing or consulting on the installation of Shelter projects. Travel to project locations will be necessary. Must have experience in:

- ~ Metal Truss Structures
- ~ Commercial
- ~ Industrial
- ~ Government

Minimum qualifications and job responsibilities will also include:

- Designing structures to withstand pressures and forces which they must endure,
- Collaborating with other designers and/or architects as it relates to the safest designs and how they may fit in with the aesthetic concept of the construction,
- Applying expert knowledge of forces and their impact on various structures,
- Solid working knowledge in the strength of different materials (e.g. concrete, steel, or wood) and understanding of how their inclusion may necessitate a change of structural design,
- Analyzing suitable configurations of the basic structural components of a building or other structure,
- In-process inspections, as well as providing guidance/feedback to contractors. Educational Requirements are: Bachelor's Degree in Engineering. Qualified applications can apply online at www.bigtopshelters.com/careers, or in person at Big Top Manufacturing, Inc. 3255 N US 19, Perry, Florida (by appointment only). EEO/AA/m/f/vets/disabled. BT

NOTICE OF INTENT TO USE UNIFORM METHOD OF COLLECTING NON-AD VALOREM ASSESSMENTS

Taylor County, Florida (the "County") hereby provides Notice, pursuant to section 197.3632(3)(a), Florida Statutes, of its intent to use the uniform method of collecting non-ad valorem special assessments throughout the unincorporated area of the County, for the cost of providing solid waste collection and disposal services, facilities, and programs commencing for the Fiscal Year beginning on October 1, 2021 and continuing until discontinued by the County. The County will consider the adoption of a Resolution electing to use the uniform method of collecting such assessments authorized by section 197.3632, Florida Statutes, at a Public Hearing to be held at 9:00 A.M. on TUESDAY, FEBRUARY 16, 2021 in the County Commission meeting room, Taylor County Administrative Complex (Old Post Office), 201 E. Green Street, Perry, Florida. Such Resolution will state the need for the levy and will contain a legal description of the boundaries of the real property subject to the levy. Copies of the proposed form of Resolution, which contains the legal description of the real property subject to the levy, are on file at the office of the County Administrator, located at 201 East Green Street, Perry, Florida. In the event any person decides to appeal any decision by the County with respect to any matter relating to the consideration of the resolution at the above-referenced Public Hearing, a record of the proceeding may be needed and in such an event, such person may need to ensure that a verbatim record of the Public Hearing is made, which record includes the testimony and evidence on which the appeal is to be based. In accordance with the Americans with Disabilities Act, persons needing a special accommodation or an interpreter to participate in this proceeding should contact Marsha Durden, Assistant County Administrator at (850) 838-3500, extension 7, at least seven (7) days prior to the date of the hearing. DATED this 20th. day of JANUARY, 2021. By Order of: BOARD OF COUNTY COMMISSIONERS TAYLOR COUNTY, FLORIDA Publish on: 1/22, 1/29, 2/5, 2/12

FLORIDA GAS TRANSMISSION COMPANY, LLC Proposed Project in Calhoun, Jefferson, Santa Rosa, Gadsden, Taylor , and Gilchrist Counties, Florida

The Filing – January 29, 2021

On January 29, 2021, Florida Gas Transmission Company, LLC (FGT) filed an application for a Certificate of Public Convenience and Necessity with the Federal Energy Regulatory Commission (FERC) to construct additional facilities to its existing interstate natural gas pipeline system. The project has been designated as the Big Bend Project and the application has been assigned Docket No. CP21-45-000 at the FERC.

Florida Gas Transmission – Your clean energy partner

FGT is Florida's leader and trusted partner in providing clean energy solutions, safely and reliably. FGT is an interstate pipeline company with offices in Maitland, Florida and Houston, Texas, and has employees at field offices along our vast pipeline system. FGT operates an approximately 5,362-mile natural gas pipeline system that runs from South Texas to Homestead, Florida. FGT has been supplying the majority of Florida's natural gas needs for over 50 years through an extensive network of underground pipelines.

Big Bend Project – Its scope and purpose

The Big Bend Project refers to FGT's proposal to add (i) approximately 1.7 miles of 36-inch mainline loop extension in Calhoun County, Florida, (ii) approximately 1.5 miles of 36-inch mainline loop extension in Jefferson County, Florida, (iii) remove and relocate the existing 36-inch mainline loop pig receivers to new pig receiver sites at the terminus of each proposed loop extension, (iv) uprate an existing natural gas-fired compressor turbine unit at FGT's existing Compressor Station ("CS") 12, CS 14, CS 15, and CS 24, located in Santa Rosa, Gadsden, Taylor, and Gilchrist Counties, respectively, all located in Florida. (No Compressor Station activities will take place outside the fenced area of FGT's Compressor Stations.)

FGT proposes to commence construction in August 2022 in order to meet the customer's requested in-service date for the project of August 1, 2023.

The purpose of the Big Bend Project is to provide additional firm transportation capacity up to 29,000 million British thermal units per day (MMBtu/d) of natural gas for Peoples Gas System (PGS), a division of TECO, to delivery points at PGS-Big Bend, TECO – Bayside, PGS Oak Grove, PGS - Tampa Northwest, and PGS - Tampa East , all located in Hillsborough County, Florida, to be utilized by PGS for current and future electric generation requirements.

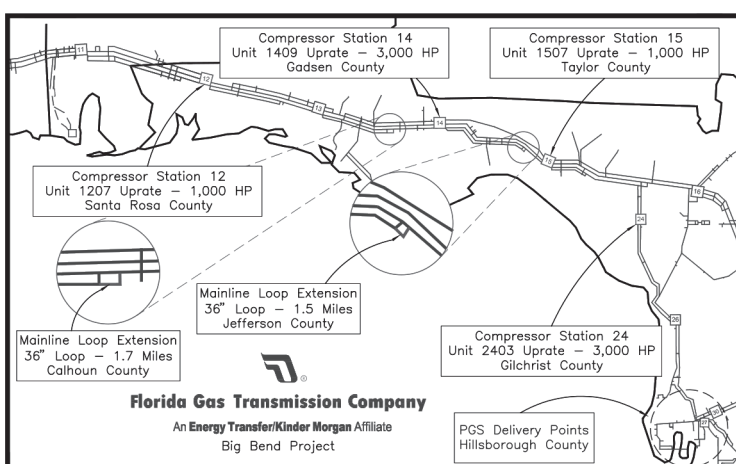

Planned construction in your area.

Please refer to the map for the location of facilities to be constructed in your area. A copy of our FERC application is available for viewing at the following locations:

<p>Calhoun County Blountstown Public Library 17731 NE Pear St. Blountstown, FL 32424 (850)674-8773</p>	<p>Jefferson County RJ Bailer Public Library 375 S. Water St. Monticello, FL 32344 (850)342-0205</p>
<p>Santa Rosa County Jay Branch Library 5259 Booker Lane Jay, FL 32565 (850)981-7323</p>	<p>Gadsden County William A. McGill Library 732 S. Pat Thomas Pkwy. Quincy, FL 32351 (850)627-7106</p>
<p>Taylor County Taylor County Public Library 403 N. Washington Perry, FL 32347 (850)838-3512</p>	<p>Gilchrist County Gilchrist Public Library 105 NE 11th Ave. Trenton, FL 32693 (352)463-3176</p>

How to obtain additional information

FGT will also mail notices to affected landowners and governmental agencies describing the proposed Big Bend Project and providing additional information, including a copy of the FERC's brochure entitled "An Interstate Natural Gas Facility on My Land? What do I need to know?". This brochure, which answers many frequently asked questions, may also be accessed through the FERC website address www.ferc.gov using the "For Citizens" link and the Application can be accessed via the "eLibrary" link, respectively. Questions pertaining to interstate pipeline facility proceedings may be directed to the FERC's Office of External Affairs at (202) 502-6088 or toll free at 1-866-208-3372 (TTY 1-202-502-8659) or by mail at 888 First Street, N.E., Washington, D.C. 20426.

If you would like to learn more about the project, please contact Beth Porter, Right-of-Way, Toll-free at 1-800-381-1477
