**FLORIDA PACE FUNDING AGENCY NOTICE OF INTENT TO USE UNIFORM METHOD OF COLLECTING NON-AD VALOREM ASSESSMENTS**

The Board of Directors (the "Board") of the Florida PACE Funding Agency, a public body corporate and politic, (the "Agency"), hereby provides notice, pursuant to Sections 163.08(2), (3) and (4) and 197.3632(3)(a), Florida Statutes, each as amended from time to time, of its intent to use the uniform method of collecting non-ad valorem assessments for more than one year to be levied within the area encompassed by the boundaries of every county in Florida, or any of the municipalities therein, subscribing to or served by the Agency's statewide provision of funding and financing to assist property owners who wish to construct, install or otherwise obtain qualifying improvements identified by the Legislature including, but not limited to, energy conservation and efficiency improvements, renewable energy improvements and wind resistance improvements, in accordance with Section 163.08, Florida Statutes, as amended (collectively, the "Qualifying Improvements"). By law and resolution of the Agency, a property owner may apply to the Agency for funding and financing of Qualifying Improvements. The non-ad valorem assessments contemplated by this notice are voluntary and are only imposed by the Agency with the prior written consent authorized by or on behalf of affected property owners who determine to obtain financing for Qualifying Improvements from the Agency. The Agency is authorized by law to fund and finance Qualifying Improvements and is required to annually collect repayment by non-ad valorem assessments. The Board will consider the adoption of a resolution electing to use the uniform method of collecting such assessments as authorized by Section 197.3632, Florida Statutes, after a public hearing to be held at 1:00 p.m. EST, November 9, 2021, the Airport Board Room, Kissimmee Gateway Airport Administrative Offices, 401 Dyer Boulevard, Kissimmee, Florida. In the event of a local or national emergency, a hurricane, or any other interfering circumstance (e.g., flare-up of the pandemic), if necessary, the meeting may be continued to a time, date, and place certain, and notice thereof will be posted on the Agency's website, or if circumstances permit this public meeting may be conducted 'virtually'. Accordingly, please check the Agency's website to see if the decision and opportunity to allow for the public hearing to be conducted by electronic, telephonic, or virtual means -- and not by in-person

attendance -- will be employed. Such resolution electing to use such uniform method will state the need for the levy and will contain a legal description of the boundaries of the real property that may be subject to the levy - which is the entirety of the State of Florida. A copy of the proposed form of resolution and other information may be viewed at the Agency's website: www.FloridaPACE.Gov. Advance written communication will be given equal weight to comments or objections made in person, and may be submitted to the Board in advance at Info@FloridaPACE.Gov; and, should be received by the Agency on or before November 3, 2021, so that copies can be distributed to Board members for advance review and hearing preparation purposes. Any person desiring to speak in person may appear at the public hearing. If any person decides to appeal any decision made with respect to any matter considered at this public hearing such person will need a record of proceedings and for such purpose such person may need to ensure that a verbatim record of the proceedings is made at their own expense and which record includes the testimony and evidence on which the appeal is based. Any person requiring a special accommodation at this meeting due to disability or physical impairment or needing an interpreter to participate in this proceeding should contact the Agency at 850-400-PACE at least 48 hours prior to the meeting. If hearing impaired, Florida Relay Service numbers for assistance are (800) 955-8771 (tdd) or (800) 955-8770 (voice). By Order of the Board of Directors of the Florida PACE Funding Agency.
