to trademark this name in Florida for exclusive use in Taylor County. The Buckeye Community name will still be visible both inside and outside our main office in Perry, as a division of Blue Coast Federal Credit Union," the release stated.

"In our communities, Blue Coast Federal Credit Union

will be represented with the BCFCU brand that is so trusted by our membership. The Blue Coast FCU name will resonate across our expanded communities, while allowing the Buckeye Community name to continue," according to BCFCU.

The expansion in membership will also include "spouses of persons who died while within the

field of membership of this credit union; employees of this credit union; volunteers in the community; members of their immediate family or household; and organizations of such persons are eligible for membership."

"BCFCU's goal is to align our products and services with the needs of the communities we serve. This evolution in the life of our credit union will lead

to an even broader range of services, more locations to serve our members and ultimately a better return for our member owners

in the form of better rates and higher dividends," the release stated.

With the recent expansion, BCFCU now serves nearly

11,000 members at its three office locations (Perry, Madison and Tallahassee) and has just under \$140 million in total assets.
