**CITY OF PERRY
SECOND PUBLIC HEARING
NOTICE**

The City of Perry is considering
applying to the Florida Department
of Commerce (the grant agency)
for a FFY 2023-2025 Small Cities
Community Development Block
Grant (CDBG) not to exceed
\$2.151 million in the Commercial
Revitalization grant category. The
City will ask the grant agency to fund
the application under the Urgent
Need National Objective. The funds
will be used to meet community
development needs of recent origin
having a particular urgency because
existing conditions pose a serious
and immediate threat to the health
or welfare of the community and
where other financial resources are
not available to meet such needs.
In addition, the grant agency will
be asked to waive the limit of \$700,000
in CDBG funds that the city is
allowed to apply for under Section
73C-23.0041 (b) of the CDBG rule.
The limit is also reflected in Table
G-1 of the CDBG grant application
form. If approved, the waiver will
allow the City to receive CDBG funds
that exceed \$700,000.
The City is currently dealing with
economic challenges and property
damage due to the closure of the
Georgia-Pacific Cellulose Mill and
the destruction caused by Hurricane
Idalia. Urgent assistance is needed
for recovery and rebuilding. The
following provides a proposed
budget and accomplishments for this
project. Also, note that benefit to
low- and moderate-income persons
(LMI) is not applicable to CDBG
projects that are funded under the
Urgent Need National Objective.
