We Will Deliver to the Big Bend

Derek Simpson was 8 years old when he used a dead shrimp to catch
his very first fish (a flounder) next to the Sea Hag fish cleaning station
during his first visit to Steinhatchee with his grandfather.

Simpson, a Vietnam vet, and his wife, Dawn, are now the proud
owners of Macon Bedroom and Mattress, home to the largest
mattress showroom in middle Georgia, with over 12,000 square feet of
mattresses in Mercer, Ga.

Over the last 60 years, the Simpsons have been regular visitors to the
area and consider Steinhatchee a second home, staying at the Sea Hag,
where his boat "Catchin Zzzzz's" stays docked year round.

Derek and Dawn are committed to helping Big Bend area residents
recover from the devastation of Hurricane Helene by offering at-cost
or below-cost pricing to replace mattresses, bedroom, dining room
and living room furniture.

Offering delivery to all local residents will give Derek a great excuse to
travel to his favorite, friendly "drinking village with a fishing problem"
more than once a month.

Call or visit the website today! We have furniture at every price point!
The next time you see Derek wandering around town, be sure to
introduce yourself and say hello!
