To: All Interested Agencies, Groups,  
and Individuals  
This is to give notice that the City  
of Perry, Florida has determined that  
the following proposed actions under  
the Florida Commerce Community  
Development Block Grant (CDBG)  
program and Grant No. 25DB-  
E04 affect areas in the 100-year  
floodplain. The City of Perry will be  
identifying and evaluating practicable  
alternatives to locating the actions in  
the floodplain and the potential  
impacts on the floodplain from the  
proposed actions, as required by  
Executive Order 11988, in  
accordance with HUD regulations at  
24 CFR 55.20 Subpart C Procedures  
for Making Determinations on  
Floodplain Management.  
The proposed CDBG project  
includes street repaving with

an interest in the protection of the  
natural environment should be given  
an opportunity to express their  
concerns and provide information  
about these areas. Commenters  
are encouraged to offer alternative  
sites outside of the floodplains,  
alternative methods to serve the  
same project purpose, and methods  
to minimize and mitigate impacts.

associated with the occupancy and  
modification of these special areas.

place in floodplains, it must inform  
those who may be put at greater or  
continued risk.
